

FLOODLIGHT TENNIS (lights off 9.00pm year round)

Floodlight tennis on four courts runs from October to March in two sessions from 6.00 to 7.30 and 7.30 to 9.00. In the season 2008-2009 the majority of play was in pre booked foursomes where players paid in advance for a 12-week session between October and December and then January to March. Any unused court time could be booked up to 2 weeks in advance by signing up on the notice board and purchasing tokens from the Bar. Wednesday Social Tennis will be organised by Kate Steer who will have a supply of tokens. See the club notice board and newsletters for information on booking floodlight tennis for the 2009-2010 season.
